# Advances in Biomedical Research V

Mediterranean Institute for Life Sciences

September 15-19, 2023

Split, Croatia

## WELCOME TO SPLIT

*We are pleased to announce that our conference “Advances in Biomedical Research” will be held at Mediterranean institute for life sciences - MedILS, Split in period September 15-19, 2023.*

*Conference will be jointly organized by MedILS and University of Toronto.*

*Split is the largest Dalmatian city, the second-largest urban center in Croatia, and the seat of Split-Dalmatia County.*

*The city is located on the shores of the Mediterranean, more specifically on the eastern shore of the Adriatic Sea.*

*In 1979, the historic center of Split was included into the UNESCO list of World Heritage Sites. Split is said to be one of the centers of Croatian culture.*

*Split has a Mediterranean climate; hot, relatively dry summers and mild, wet winters.*

*The city of Split with its picturesque old town offers plenty of restaurants, bars, and shops for social activities and can be reached in 20 minutes by foot or in five minutes by bus (bus stop just in front of the Institute).*

## AN INTERDISCIPLINARY THINK TANK FOR CREATIVE SCIENCE

*The Mediterranean Institute for Life Sciences – MedILS is a life science institute in Split, Croatia, envisioned as an international center of excellence for molecular biology. It is located in a park on one of the most beautiful stretches of Croatia’s Adriatic coast. MedILS offers a unique setting for high-quality workshops and conferences. The Institute features wet labs and computational labs as well as several fully equipped lecture and seminar rooms.*

September 15-19, 2023

Split, Croatia

## SCIENTIFIC PROGRAM OF THE CONFERENCE

*The "Advances in Biomedical Research V" conference will cover the latest discoveries across the spectrum of biomedical research - from cancer biology, cystic fibrosis, immunology and technological advances in biomedicine; to neurobiology, translational studies and applications of artificial intelligence in drug discovery.*

*The conference will bring together some of the best minds in biomedical research from leading institutions all over the world. It will provide an international platform to share expertise, foster collaborations, stay updated with recent trends and advances in the field of molecular and cell biology of disease.*

*The conference is jointly organized by  
the Mediterranean Institute for Life Sciences and  
the University of Toronto.*

## ORGANIZING COMMITTEE

Prof. dr. sc. Mladen Merćep
